The data used is accurate to the best of our knowledge, but we cannot claim any responsibility for any action taken in connection with the information provided.

Our core specialisation is database publishing, and we have used a combination of Corel Ventura DataBase Publisher and Corel Ventura Publisher to produce this guide. It is the end product of an AUTOMATED publishing application.

At the time this guide was prepared, Corel Ventura Publisher was unique in the extent to which it supports the pdfmark language. A Corel Ventura Table of Contents or Index can be converted automatically to Adobe Acrobat Bookmarks and Links using the Print Menu Options in Corel Ventura. Acrobat Distiller is required to complete the process.
